Nondiscrimination Policy

GLS does not discriminate against any person on the basis of race, color, sex, gender identity, sexual orientation, religion, creed, age, national or ethnic origin, ancestry or disability in admission to, access to, treatment in, or employment in its programs and activities. Every effort will be made to ensure fairness and consistency in the school's relations with its students and staff.

On Students

- 1) We accept children as young as 4 years of age into our classes. Kindergarten students must be potty-trained and mature enough to participate in the class without a parent present.
- 2) The principal has the responsibility to assign the children to a certain class, according to their age and German language ability.
- 3) Students with communicable diseases will not be permitted to attend class to protect the other students from exposure.
- 4) It is the responsibility of the parent/guardian to transport the children to school in a timely manner, to supervise them until school officially begins, and to pick them up promptly at the end of the school session. The students of Kindergarten through 3rd grade must be picked up **at the classroom by the parent/guardian or a previously designated person.**
- 5) Students are expected to act respectfully toward teachers and behave appropriately toward other students. The responsible adult(s) agree to support the teaching staff in these matters.

On Fees, Withdrawal policy and Obligations

Please visit our website: www.germanlanguageschool.org and find all necessary information in the GLS Handbook

On Disagreements

Parents/guardians and adult students agree to settle all disagreements arising from GLS attendance by mature discussion and by mediation if necessary, specifically waiving any other outside means, excepting binding arbitration as outlined on our webpage and Parent Handbook, to settle differences.

Procedures for Disruptive Students

- 1) If a student disrupts or acts inappropriately in class, the teacher will talk with the student and, if necessary, will inform the parents/guardians.
- 2) If, after several disciplinary steps, the behavior of a student does not improve and he/she continues to behave in inappropriate manners, the student may eventually be dismissed from class. No refund of tuition will be granted in such a case.
